Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Sunday 28 Feb 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry and bright today, cloud breaking up this morning.

Today:
Areas of fog and low cloud burning off through the morning, the odd shower in the south and west at first. Otherwise a dry day, sunny spells with unbroken sunshine in the northeast. Mild.

Tonight:
Dry this evening. The rest of the night will remain dry with mostly clear skies, some frost and fog patches. Cloudier across the far northwest and Northern Isles.

Monday:
Overnight fog burning off in the morning. Otherwise dry and sunny, some low cloud may develop across the far east later. Chance of light shower across Shetland.

Outlook for Tuesday to Thursday:
Staying dry on Tuesday and Wednesday, some low cloud across central and eastern areas at times. A few showers in the north on Thursday. Overnight frost.
